

BREEDER DIRECTORY OF THE BERNESE MOUNTAIN DOG CLUB CANADA

The breeders listed below are current members in good standing with the Bernese Mountain Dog Club of Canada (BMDCC) and have signed and agreed to follow the Club's Code of Ethics and the BMDCC Recommendations & Guidelines for Breeders. **However, it is the buyer's responsibility to research and determine each breeder's reliability. The BMDCC in no way endorses or makes recommendation of any name on this list and cannot be held responsible for the behavior of any of the breeders on this list.**

In addition to being members of the BMDCC, our breeders must also be members in good standing of the Canadian Kennel Club (CKC) and adhere to the CKC's Code of Ethics.

BUYERS TAKE NOTE:

Breeders should be able to provide a pedigree for each of their breeding dogs and the puppies being produced. They should be able to provide proof of any health clearances that have been completed on their dogs either by providing paper copies upon request or directing the buyer to their records on Berner Garde (BG) (www.bernergarde.org) or the Orthopedic Foundation for Animals (OFA) (www.ofa.org). At the very minimum, health clearance certificates for Hips, Elbows and Eyes should be available, but most breeders will also be able to provide proof of clearances for Heart, vonWillebrands, and some will have also tested for Degenerative Myelopathy (DM) (SOD1A & SOD1B). All puppies produced by our breeders must be registered with the Canadian Kennel Club (CKC) and the buyer must be provided with their registration papers within six months of their puppy purchase.

Breeders should provide lifetime support and should always be willing to take a puppy back, regardless of the age or reason.

Our breeders do not engage in the breeding of mixed breed dogs nor will they sell to those that are or may wish to.

Our breeders are always happy to talk with you and to answer any questions that you might have.
